Dear Mr. Weisberg:

I cannot imagine why The Sunday Times Book Review "has no record" of "Photographic Whitewash."

As you know, the book was covered by The Times with a major news story.

I look forward to reading your analysis of "Oswald in New Orleans" when copies are ready. Please do note, for addressing review copies, that the National News Desk of The Times, the Daily Book Page and The Sunday Times Book Review are each seperate entities insofar as mail distribution is concerned.

Sincerely,
Eliot Fremont-Smith
